

**Minutes
Regular Meeting
Sumter County Council
August 12, 1997 -- 6:00 P.M.
SUMTER COUNTY ADMINISTRATION BUILDING
County Council Chambers**

MEMBERS PRESENT: James A. Campbell, Chairman; Frank E. Williams, Jr., Vice Chairman; Artie Baker, Carol Burr, Charles E. Fienning, Louis Fleming, and Naomi Sanders.

MEMBERS ABSENT: None

STAFF MEMBERS PRESENT: William T. Noonan, County Administrator; Mary W. Lewis, Clerk to Council; John Duffie, County Engineer; Anthony J. Criscitiello, Planning Director; George McGregor, Planning Coordinator; Verna Moore, Coroner; Lath Harris, Assessor; Elizabeth Hair, County Treasurer; Tom Douberly, Deputy Tax Collector; Eddie Newman, Public Works Director; Martin Rogers, Assistant County Administrator/Human Resource Director; and Hemby Smith, Correctional Officer.

MEDIA PRESENT: The Item

PUBLIC PRESENT: Approximately 11 members of the public were in attendance.

CALL TO ORDER: The meeting was called to order by Chairman Campbell, and Councilman Charles Fienning gave the invocation.

NEW STAFF MEMBER: The Chairman introduced Mr. Anthony J. Criscitiello, the new Planning Director.

ACTION ON MINUTES: MOTION was made by Councilman Fleming, seconded by Councilman Fienning, and unanimously carried by Council to approve the minutes of July 22, 1997, as presented by the Clerk.

**LAND USE MATTERS AND REZONING REQUESTS
Planned Development/Rezoning Requests**

- (1) RZ-97-21 -- First Reading -- Carter Realty & Development -- A request to rezone the rear portion of two parcels, (each parcel consists of 4.9 acres) at Hwy. 76/378 next to Eagle Inn (Tax Map 186-01-01-008 & 009 part) from Residential-15 (R-5) to General Commercial (GC) to allow for future commercial development. The portion of each parcel requesting rezoning measures approximately 200 ft. X 530 ft.

Mr. George McGregor presented this matter before Council. He stated that the applicant is requesting the rezoning of property off Highway 76/378 next to the Eagle Inn property. The property consists of two parcels with 4.9 acres each. The first 300 feet is zoned General

August 12, 1997

Commercial with the rear of each parcel measuring approximately 200 feet by 530 feet as Residential-15. The applicant is requesting to rezone the rear R-15 portions of each parcel to General Commercial. The applicant has no development plans for this property at the current time and plans to possibly lease the property as commercial property in the future. In addition to all of the other requirements for development, Mr. McGregor stated that standards for General Commercial would have to be adhered to and the property is located within the DNL-1 Zone and at the time of development, it will need to comply with Article VII, Special Purpose District Regulations.

Mr. McGregor also stated that Shaw AFB was notified of this rezoning request as outlined in the Memorandum of Agreement with Shaw. Also, Shaw would be notified if and when the applicant is ready to develop the property and must follow requirements of Special Purpose District Regulations.

The Planning Commission recommended approval of the request. The Planning staff recommended approval of this request based upon the 2005 Land Development Plan.

ACTION: MOTION was made by Councilman Burr, seconded by Councilman Fienning, and carried by Council to grant first reading to the rezoning request. Councilman Fleming abstained from voting and Vice Chairman Williams voted in opposition to the rezoning request.

- (2) RZ-97-01 -- First Reading -- Combined Request with LDP-10 -- R. L. Tidwell, Jr. - A request to rezone approximately 10 acres of property located at 2805 Highway 15 South (Tax Map 223-00-01-011) from Rural Agricultural to Heavy Industrial in order to allow an automobile repair shop in addition to a precast concrete septic tank operation.

The Planning staff presented this request to Council, reminding Council that Mr. Tidwell had previously presented the rezoning request to Council, in an effort to rezone approximately ten (10) acres of property from Rural Agricultural to Heavy Industrial. In prior action, Council had expressed concerns that the granting of the request would apparently be in contradiction with the Land Development Plan. Consequently, Council sent the rezoning request back to the Planning Commission in conjunction with a request that the Planning Commission consider an amendment to the Land Development Plan. The proposed amendment that Council had asked the Planning Commission to consider was to change the subject area from Residential Conservation (RC) designation to Industrial Conservation and Promotion (ICP) designation or some such similar designation to allow for commercial development in the area.

Mr. McGregor of the Planning staff explained that the Planning Commission had considered the request to amend the Land Development Plan, but had recommended that no such amendment be made in light of the fact that immediately to the south of the subject area in particular is a large residential subdivision, Lakewood Links.

August 12, 1997

After a considerable amount of discussion by Council, during which some divided concerns were expressed with the Planning Commission's recommendation on the proposed amendment to the Land Use Plan (particularly with the present use of the property and the fact that the proposed use would allow significant improvements to the appearance of the property) Council took action on both RZ-97-01 and LDP-10.

ACTION: MOTION was made by Councilman Burr, seconded by Councilman Fleming, and unanimously carried by Council to grant first reading to the rezoning request and suggested that the applicant go before the Planning Commission with a PUD for this particular property prior to Council acting on second reading.

- (3) LDP-10 -- First Reading -- Combined Request with RZ-97-01 -- Land Development Plan/Map Amendment 10 - A proposal to redesignate the area located on the east side of Highway 15 South, between Clipper Road and Bethel Church Road, from Residential Conservation (RC) to a designation which would encourage industrial or commercial development. Optional designations include Industrial Conservation and Promotion (ICP), General Business Development (GBD), and other commercial designations.

Mr. McGregor presented this matter in conjunction with RZ-97-01. (See details above).

ACTION: MOTION was made by Councilman Burr, seconded by Councilman Fleming, and unanimously carried by Council to grant first reading to the Land Development Plan/Map Amendment and recommended that the applicant go before the Planning Commission with a PUD for this particular property prior to action on second reading.

- (4) RZ-97-16 -- Third Reading -- Cornell Burroughs -- A request to rezone property located at 49 Lincoln Avenue (Tax Map 226-05-02-021) from Residential-6 to General Residential in order to allow a mobile home.

Mr. McGregor presented this matter before Council. He stated that Mr. Burroughs is requesting that his property located at 49 Lincoln Avenue be rezoned to General Residential to allow for a mobile home. Mr. McGregor stated that no changes have occurred to this request since first reading.

ACTION: MOTION was made by Vice Chairman Williams, seconded by Councilman Fienning, and unanimously carried by Council to grant third reading and adoption to the rezoning request.

Street Name Change -- None

Grants

- (1) A Resolution Adopting Community Development Needs Assessment

August 12, 1997

Mr. James Darby, Director of the Santee Lynches Regional Council on Governments, presented this proposed resolution to Council. Mr. Darby stated that a public notice was given in April for a public hearing to find out what the needs of the public are for community development block grants. No one attended the hearing; however, the staff then reviewed its consolidated plan which includes information received from previous public hearings from the four-county/municipality areas. Recommendations such as housing, water and sewer needs, infrastructure, jobs, public safety, and streets and roads improvements are included in the needs assessment. Some of the needs of the public are eligible under the CDBG program and some are not.

Mr. Darby then requested that County Council approve the resolution which indicates that the COG did conduct a needs assessment and that the assessment has not been altered from prior years.

ACTION: MOTION was made by Councilman Fienning, seconded by Vice Chairman Williams, and unanimously carried by Council to approve the resolution and authorized the Chairman and the Clerk to execute and deliver the resolution on behalf of the County.

(2) A Resolution Adopting a Citizen Participation Plan

Mr. Darby also presented the Citizen Participation Plan to Council. He stated that it is a standardized document and an administrative requirement to ensure that the citizens of the four-county area are participating in the plans of the COG.

ACTION: MOTION was made by Councilman Fienning, seconded by Vice Chairman Williams, and unanimously carried by Council to approve the resolution and authorized the Chairman and the Clerk to execute and deliver the resolution on behalf of the County.

(3) A Resolution Adopting a JTPA One-Stop Shop

Mr. Darby stated that this resolution involves JTPA programs and their involvement with the Private Industry Council. This resolution will assist in the consolidation of several state agencies in providing services for employment opportunities for area citizens. The Employment Security Commission in Sumter County will incorporate services (social and training) in one single physical location. The site will not only serve previously employed individuals, but it will also serve anyone seeking employment in Sumter, Lee, Kershaw, and Clarendon Counties. The resources generated by the initial site and supplemented by the Department of Labor will eventually provide resources for similar satellite sites for Kershaw, Lee, and Clarendon Counties, as well as another possible remote location in Sumter County. The shift is to bring together social services, employment, and training services by utilizing the same funds, but changing the method of delivery. No additional funds will be required to implement this program. The first stage of this program should be in place by January of 1998.

August 12, 1997

ACTION: MOTION was made by Councilman Fienning, seconded by Councilwoman Sanders, and unanimously carried by Council to approve the resolution and authorized the Chairman and the Clerk to execute and deliver the resolution on behalf of the County.

PUBLIC HEARING

(1) 97-326 -- An Ordinance Granting A Franchise To The Oswego Rural Water Company, Inc.

The Chairman convened the public hearing and inquired if anyone wished to speak in favor of or opposition to the proposed ordinance.

Then Mrs. Cuttino, the County Attorney, explained a number of proposed amendments to the ordinance granting a franchise agreement. She presented the amended text of the agreement to County Council members, and advised them that the major portion of the changes dealt with adding language requiring the approval of the Department of Rural Development division in the event that any transfer of the assets to Sumter County should take place. Mrs. Cuttino further explained that the reason for the necessity for such approvals was the fact that the Department of Rural Development would hold a lien on the assets, in that the agency was lending money to the Oswego Rural Water Company to finance the improvements anticipated by this project.

Mrs. Cuttino informed Council that Mr. John Fantry, legal counsel for the Oswego Rural Water Company, had been in touch with a representative of the Department of Rural Development, relaying the County's concerns that any such required approvals would not be unreasonably withheld. Mrs. Cuttino explained to Council that Mr. Fantry had advised her that a letter of commitment would be forthcoming from Rural Development indicating that in the event of breach or cancellation of the franchise agreement, or any other circumstances that resulted in the transfer of the assets of Sumter County, that Rural Development would not withhold its consent to such a transfer, and that furthermore, any grant funds previously committed to the Oswego Rural Water Company would be in essence assigned to Sumter County, thereby, negating any requirement for pullback of federal grant funds. In addition to the proposed amendments to the franchise agreement concerning approval by Rural Development, Mrs. Cuttino explained the additional highlighted changes in the document.

The Chairman then inquired again if anyone from the public would like to speak to this issue. No one spoke to this issue, therefore, the Chairman declared the public hearing closed and Council took action on this matter.

(2) 97-328 -- An Ordinance Authorizing An Inducement Agreement Among Sumter County (The "County"), The City Of Sumter (The "City") And Peace Textile, Inc. (The "Company"); The Sale To The Company Of Approximately 15 Acres Of Land Currently Owned By The County And The City Pursuant To Such Inducement; Acceptance Of A Promissory Note From Such Company Evidencing Its Contingent Obligation To Pay \$120,000 As The Purchase Price For Such Land And A Mortgage From The Company To The City And The County As Security For Its Obligations Under The Note; And Other Matters Relating To

August 12, 1997

The Foregoing. (Third Reading will be held right after the public hearing on this matter or during Old Business.)

The Chairman convened the public hearing and inquired if anyone wished to speak in favor of or opposition to this proposed ordinance. No one spoke in opposition to the ordinance. However, Mrs. Cuttino did note that the last time Council took action on this matter that the acreage was changed from 10 acres to 15 acres and the purchase price was changed from \$80,000 to \$120,000. By changing the amount of the purchase of the land, it effected the cost per job ratio within the ordinance. Thereby, the ratio is now \$2,400 per job instead of \$1,600. The Chairman closed the public hearing and Council then took action on this item.

NEW BUSINESS:

- (1) Santee Senior Services Construction Project (Report from Fiscal, Tax, and Property Committee)

This item was reported through the Fiscal, Tax, and Property Committee.

- (2) First Reading -- 97-329 -- An Ordinance To Join Clarendon And Lee Counties In A Regional Economic Development Alliance For The Purpose Of Working Together As A Team To Make Each County More Competitive In The World-Wide Market.

Mr. Steve Rust, Director of the Development Board, presented this proposed ordinance to Council. He stated that the Development Board, City Council, and County Council hoped to enter into a Regional Economic Development Alliance with the County and City municipalities of Lee and Clarendon Counties. It is hopeful as the alliance is developed, these areas will be able to become more competitive in the world-wide market and provide economic development for the alliance.

ACTION: MOTION was made by Vice Chairman Williams, seconded by Councilman Fienning, and unanimously carried by Council to grant first reading to the proposed ordinance.

- (3) First Reading -- 97-330 -- An Ordinance Providing for Reports to Be Filed with the Treasurer of Sumter County Concerning the Presence of Mobile Homes Located in Mobile Home Parks Situated within the Unincorporated Areas of Sumter County and Providing Penalties for Violations.

Mrs. Elizabeth Hair, the County Treasurer, presented this proposed ordinance to Council. She stated that the ordinance was originally before Council in 1992; however, no action was taken. She was asked to bring this ordinance back before Council for consideration. This ordinance would required that mobile homes located in mobile home parks and other places in the unincorporated areas of the County be reported to the Treasurer in order to be filed in the County.

August 12, 1997

ACTION: MOTION was made by Councilman Baker, seconded by Councilwoman Sanders, and unanimously carried by Council to grant first reading to the proposed ordinance.

- (4) **First Reading -- 97-331 -- An Ordinance Authorizing Sumter County to Lease Certain Real Property Located near the Intersection of Guignard Drive and Miller Road to Branch Banking and Trust Company, or the Successors and Assigns Thereof, and to Enter into a Lease Agreement with Regard Thereto.**

Mrs. Cuttino stated that BB&T Bank at the corner of Miller Road and Guignard Drive is about to begin some improvements to its properties. The Bank plans to move its automatic teller machine and a drive-through window from its present location to another location on the property. To accommodate this change, the bank is asking the County to lease a portion of its property next to the bank's property. The bank will pay fair market price for leasing this property on an annual basis. Council members were provided with a copy of the proposed ordinance, the lease agreement, and the proposed site plan.

ACTION: MOTION was made by Councilman Fianning, seconded by Council Fleming, and unanimously carried by Council to grant first reading to the proposed ordinance and other documents pertaining to this matter.

- (5) **Suggested to Hold Executive Session To Discuss Contractual and/or Personnel Matters. (The Executive Session, if approved by Council, will be held after all business matters have been completed.)**

This matter was held at the end of the meeting.

OLD BUSINESS:

- (1) **Second Reading -- 97-326 -- An Ordinance Granting A Franchise To The Oswego Rural Water Company, Inc.**

The Chairman presented this item to Council. Following explanation of changes to the ordinance granting a franchise agreement by the County Attorney and a brief presentation by John Fantry, Oswego's legal counsel, County Council took action on this matter

ACTION: After public hearing, MOTION was made by Councilman Burr, seconded by Councilman Baker, and unanimously carried by Council to amend the ordinance as presented by the County Attorney.

ACTION: MOTION was made by Vice Chairman Williams, seconded by Councilman Baker, and unanimously carried by Council to grant second reading to this proposed ordinance and franchise agreement.

August 12, 1997

- (2) Third Reading -- 97-328 -- An Ordinance Authorizing An Inducement Agreement Among Sumter County (The "County"), The City Of Sumter (The "City") And Peace Textile, Inc. (The "Company"); The Sale To The Company Of Approximately 15 Acres Of Land Currently Owned By The County And The City Pursuant To Such Inducement; Acceptance Of A Promissory Note From Such Company Evidencing Its Contingent Obligation To Pay \$120,000 As The Purchase Price For Such Land And A Mortgage From The Company To The City And The County As Security For Its Obligations Under The Note; And Other Matters Relating To The Foregoing.

The County Attorney explained several monetary changes within the ordinance and job ratio changes. Then the Chairman convened a public hearing. No one spoke to this issue; therefore, Council took action on this matter after the public hearing.

ACTION: MOTION was made by Councilman Baker, seconded by Councilman Burr, and unanimously carried by Council to grant third reading and adoption to this proposed ordinance.

- (3) Agreement with the Town of Turbeville Regarding I-95 Rest Area Project.
Mrs. Cuttino presented this agreement to Council. She stated that Council had previously approved an agreement with the Department of Transportation in connection with providing increased sewer services at the rest area on I-95 near Turbeville. The Town of Turbeville is the owner of the sewer lines in that area as the service provider. This agreement will allow Sumter County to serve the I-95 rest area using the Town of Turbeville's sewer system and using grant funds from the Department of Transportation to serve the rest area. This agreement will provide the capacity lines for the rest area as well as an additional 50 thousand gallons of water per day in the event Sumter County wants to serve its own customers in that area in the future; fire flow is also provided through these lines.

ACTION: MOTION was made by Councilman Baker, seconded by Councilman Burr, and unanimously carried by Council to grant approval of the agreement as presented by the County Attorney.

COMMITTEE REPORT:

- (1) Technology/Personnel Committee Meeting on Tuesday, August 12, 1997, at 3:00 p.m. in Council's Conference Room. (Members: Fleming, Fienning, and Burr)

The Chairman of the Committee, Councilman Fleming, was not present at this point during the meeting; therefore, the Administrator presented this report.

- Substance Abuse Policy: The policy was prepared and presented to the Committee members. This policy is a "no tolerance" policy and has been reviewed by the Labor Attorney as well as a committee of County employees. The Committee recommended approval of the policy. Once approval is given by Council, a 30-day notice or waiting

August 12, 1997

period will take effect to give employees a chance to address any substance abuse problems during that time. Should an employee come forward during the 30-day period, he/she will be assisted in dealing with this problem without jeopardy of job. After the 30-day period, the "no tolerance policy" will take effect.

ACTION: MOTION was made by Councilman Burr, seconded by Councilwoman Sander, and unanimously carried by Council to grant approval of the Substance Abuse Policy and it will take effect after 30-days from August 12, 1997.

- Remote Access to Public Records: By state law, the County is the keeper of certain public records. Therefore, the Committee has recommended that the County provide access to public records through existing and expanding technology. There will be a charge to the user for this service.

ACTION: MOTION was made by Councilwoman Sanders, seconded by Councilman Burr, and unanimously carried by Council to grant approval of the remote access to Public Records project effective immediately.

(2) **Public Works Committee Meeting on Tuesday, August 12, 1997, at 3:30 p.m. in Council's Conference Room.** (Members: Sanders, Williams, and Baker)

The Chairman of the Committee, Councilwoman Sanders, stated that the Committee did not have any action items. The Committee received information from the Public Works Director concerning crusher run, sealer for the crusher run, providing upgrading signs at the rural rail-road crossing, and State Secondary Road System Mileage Limitation.

- Railroad Crossing: A letter was received from the S. C. Department of Transportation indicating that after a review by the Rail Grade Investigative Team, it is recommended that the County erect four rail crossing signs (Near Tram Road, Race Track Road, Near St. Matthew Church Road) 250 feet from tracks on both approaches W10-1-36.
- State Secondary Road System Mileage Limitation: As of June 30, 1993, the State Secondary Road System's mileage limit for Sumter County is 805.65 miles. As of May 31, 1997, Sumter County has 808.92 miles of roads in the State System. Consequently, 3.27 miles of existing or programmed roads must be removed from the state secondary road system.

The Public Works Director was asked to find out the State formula for computing the number of roads each county received.

(3) **Public Safety Committee Meeting on Tuesday, August 12, 1997, at 4:00 p.m. in Council's Conference Room.** (Members: Burr, Fleming, and Williams)

- Correctional Facility Site Location: The Architectural Firm of Grier-Fripp made a presentation to the Committee concerning the site selection for the County's proposed

August 12, 1997

new correctional facility. Two sights were presented; the old site on North Main Street and the Airport site near Queen Chapel Road. After discussing the cost, future development, etc., it was recommended that the Airport site be considered for approval by full Council.

The Chairman of Council stated his concern about constructing a new facility. He added that there are many needs of the County (new or renovated Library, three industrial parks, transfer station, Santee Senior Services needs, etc.) other than the construction of a corrections facility. Council needs to try to view the needs of the correctional facility in concert with other needs of the County and the County's bonding capacity.

ACTION: MOTION was made by Councilwoman Sanders, seconded by Councilman Baker, and carried by Council to tentatively approve the Airport site near Queen Chapel Road for the construction of a new correctional facility for the County. Chairman Campbell voted in opposition to this recommendation and Councilman Fleming was absent at this time due to illness.

- EMS Program: Vic Jones, the Public Safety Director, gave the Committee an update on the EMS transition into the County as a department. Mr. Jones stated that monthly reports will be given to Council for review and comment.

(4) Fiscal, Tax, and Property Committee Meeting on Tuesday, August 12, 1997, at 5:00 p.m. in Council's Conference Room. (Members: Campbell, Fienning, and Fleming)

The Committee Chairman, Chairman Campbell, presented the following report.

- Santee Senior Services: This agency is projecting the need for a construction project for their services. They are reviewing how they will fund the project and will need some type of assistance from the County, preferably land. The Administrator will follow-up on this matter by evaluating the property options that were presented by Santee Senior Services to the Committee. This will be brought back before the Committee at its August 26, 1997 meeting.
- The I-95 Turbeville Agreement: This matter was discussed in Committee and action taken during old business.
- GIS Contract: The County's Mapping Department requested a contract extension for AIS Landmark, Inc. up to December 1, 1997. The Committee recommended that this contract extension be granted.

ACTION: MOTION was made by Councilman Fienning, seconded by Councilwoman Sanders and unanimously carried by Council to extend the present contract with AIS Landmark, Inc., at no cost to the County, up to December 1, 1997.

August 12, 1997

- Correctional Center Architect Agreement: The Committee discussed the need to enter into an agreement with Grier-Fripp Company to complete the requirements for the construction of the County's Correctional facility. The Committee recommended approval of such an agreement/contract.

ACTION: MOTION was made by Councilman Fienning, seconded by Councilman Burr, and unanimously carried by Council to amend Council's agenda by adding the following:

First Reading -- 97-332 -- An Ordinance Amending Ordinance No. 97-319 To Provide For A Levy Of Taxes For School And County Purposes Of Sumter County, SC, For The Fiscal Year Of Said County Beginning July 1, 1997, To Direct The Expenditures Of Said Taxes And Other Funds Of Said County, And To Provide For Other Matters Related Thereto

ACTION: MOTION was made by Councilman Burr, seconded by Councilman Fienning, and unanimously carried by Council to grant first reading to the proposed ordinance amending the 1997-98 budget ordinance.

- Plowden Construction Company: The Committee received information from the Administrator requesting that Plowden Construction Company be granted a contract to begin construction on roads in the Airport Industrial Park near the Caterpillar Company. The Committee recommended approval of this request.

ACTION: MOTION was made by Councilman Fienning, seconded by Councilman Burr, and unanimously carried by Council to approve the construction road work by Plowden Construction Company at the Airport Industrial Park.

MONTHLY REPORT:

- EMS
- Public Safety

COUNTY ADMINISTRATOR'S REPORT:

- Red Bay Road Expansion Project: The Administrator presented a letter to Council from Mr. Phil Nobles, the Planning Commission's Transportation Coordinator, indicating that the S. C. Department of Transportation gave approval to the SUATS Committee to begin phase two of the Red Bay Road expansion project.
- Loring Mill Road Project: Mr. Nobles also shared another letter with Mr. Noonan stating that the S. C. Department of Transportation is recommending that the Planning Commission's Transportation staff begin seeking engineering services to design the Loring Mill Road widening project.

August 12, 1997

- Sedgwick James Safety Award: The County received the Sedgwick James Safety Award at the recent annual S. C. Association of Counties Conference.
- The J. Mitchell Graham Competition: The County also presented the "Unity Project" for competition at the annual conference.

PUBLIC COMMENTS:

There were no additional comments from the public.

EXECUTIVE SESSION

The Chairman stated that he would entertain a motion to enter executive session to receive a legal briefing.

ACTION: MOTION was made by Vice Chairman Williams, seconded by Councilman Fienning, and unanimously carried by Council to enter executive session to receive a legal briefing. At the conclusion of executive session, Council re-entered open session.

OPEN SESSION:

ACTION: MOTION was made by Councilman Burr, seconded by Councilman Fienning, and unanimously carried by Council to re-enter open session.

REPORT FROM EXECUTIVE

Chairman Campbell stated that there was no action to be voted on from executive session. Then Council adjourned its regular meeting.

ADJOURNMENT: There being no further business and no additional comments from the public, the meeting was adjourned at 7:35 p.m.

Respectfully submitted,

Chairman or Vice Chairman
Sumter County Council

Clerk to County Council
